Where there are dependent territories of the countries stated above, their citizens are accorded similar treatment unless otherwise stated e.g. the visa requirement for citizens of Martinique is the same as that for French nationals.

NB: Those nationals who are permitted to enter Jamaica for varying periods (14 days, 30 days, 60 days, 90 days and 6 months) as visitors (tourist) are required to have a visa when staying beyond those periods indicated and also when visiting for other purposes eg. study, work, reside permanently. This also applies to dependents.

SHORT-TERM BUSINESS

Foreign nationals entering the country to conduct short-term business (such as consultations, meetings, inspections, repairs, technical advice) are admissible as **‘visitors’** in accordance with the entry requirements applicable to the visitors from their respective countries (e.g. A French national who is travelling to Jamaica to conduct business may enter as a visitor for 30 days without a visa). Each visit should not exceed thirty (30) days and the cumulative number of days within a calendar year should not exceed one hundred and eighty (180) days. The usual conditions remain in place with respect to persons who seek to be admitted on the basis of employment, study etc.

Where to Apply for an Entry Visa

Visas for entry into Jamaica are issued by a Jamaican Embassy, High Commission, Consulate General or Consulate. In any country where none of these exists, the Government of Jamaica may authorize a Mission or Consular post in a Commonwealth country or the British Consulate in a non-Commonwealth country to issue visas on its behalf (please contact the nearest Jamaican mission for information on this).
