OUR MISSION

The University of the Commonwealth Caribbean is committed to preparing bachelors and graduates to become exceptional business and community leaders, innovators and scholars in a caring and intellectually stimulating academic environment where all persons are valued, respected and challenged to enhance excellence, integrity and social responsibility.

OUR VISION

The University of the Commonwealth Caribbean seeks to provide bias-free educational opportunities through partnership, flexible delivery modes and financing, in an environment where high standards, trust, respect and the dignity of the person are embraced.
